

# Go on, you know you want to.

## Christopher Spivey

Have you read my books yet?

My first book is a work of fiction called "**Never Mind The Sex Pistols Here's The Bollocks**" and is a very funny, not to mention extremely rude story about a mafia plot to assassinate a world famous singer.

You can buy it at the following link in either paperback or kindle form:

[https://www.amazon.co.uk/.../171807.../ref=pd\\_rhf\\_eetyp\\_p\\_img\\_3...](https://www.amazon.co.uk/.../171807.../ref=pd_rhf_eetyp_p_img_3...)

My latest book is called "**Meghan Markle Exposed**" and blows the roof off of the princess fairy-tale as well as exposes the corruption surrounding SIX American presidents.

You can buy it at the following link in either paperback or kindle form:
