Dear Mr Phillips Thank you for your quick response. I thought the majority of QC's were members of the brotherhood, so I am

pleased to hear you are not a Freemason. I believe you are correct that Police (Independent, not private nor political as has happened) should detect crime etc, however as the English Constitution was usurped long ago, the Police, Courts etc do not work as they should do according to our Common Law. Anyway, it has been proved countless times that cover-ups do happen, as was clearly the case with Hillsborough and many others besides and clearly much goes on in secretive family courts that should not happen as people better acquainted than myself can testify. There is much research to believe that Tony Blair did help a massive cover-up of paedophiles whilst PM and he put a 100 year D-Notice on a list of names who had downloaded indecent images – many believe there were names of cabinet members, MP's, Lords and so on this list. The whole episode smacks of another major cover-up. Indeed I am finding out from others that certain people who were seriously investigating the allegations met with "accidents." Mike Todd Chief Constable Greater Manchester fell 400ft off a welsh mountainside, one of his Operation Ore Inspectors from Devon and Cornwall Police accidentally fell off a cross channel ferry and washed up ashore, an armed response Sergeant on the team shot himself in the head with a rifle. If that wasn't enough a High Court Judge who had been giving top of the range sentences to paedophiles was found face down in the village pond where he had lived for 30 years – all coincidences? doubtful.

Tony Blair we know was convicted at Bow Street Magistrates court in 1983 for importuning men for indecent Acts and was I believe fined £50 – this in itself should have prevented him from ever becoming an MP, let alone a Prime Minister, but clearly he can then be bribed to do as he is told. I have seen photos of him with Jimmy Savile, so there are certainly links to other devious people, although nothing proven as yet. Many have worked out where these paedophile cases lead to and have had enough and want Parliament/Police to fully investigate and expose the truth.

I do not expect you to know all the information, but can you as an MP ask for a new Inquiry into Operation Ore? It needs to be a fully Independent Inquiry and not one for the cameras like the Leveson Inquiry, which is more about clamping down on the free press.

I have been passed a list you may find of interest. It is somewhat despicable to hear Harriet Harman in Parliament speak out against the BBC/Jimmy Savile case when she is right in the thick of it herself! As with most organisations there is good and bad and hopefully, despite not looking into my Treason allegations (which are far worse than this), you may like to help with raising this issue.

Lyon, 37, is accused of making indecent images of children.\* The Labour Party in Calderdale has been plunged into a crisis as their lead candidate, and former Mayor of Hebden Royd, *Stewart Brown*, has been arrested on suspicion of child porn offences.

*Labour Councillor and Deputy Council Leader (Northumberland), John Whiteman*, who was also a senior member of the local police authority – Convicted and fined in 2002 for soliciting a prostitute in the red light district of Middlesbrough. The court heard Whiteman was arrested in his car as Police discovered him in a "state of undress" with a lady of the night he had just paid £35 for sex. He subsequently resigned from the council.

?*Labour Councillor (Stoke/Staffordshire), Michael Barnes*, put forward a motion in July 2004 to change the constitution of Stoke-on-Trent Council. The proposed amendments were designed to prevent the City's two British National Party councillors from chairing any committees, so as to `protect` the good

citizens of Stoke from the beastly BNP types they'd voted for in huge numbers to represent them. As Mr Barnes explained to the local paper, the move was "to prevent the BNP from exerting more influence", and was "in the best interests of the people of Stoke-on-Trent". A few months later, in November 2004, the civic-minded and virtuous Councillor Barnes appeared at North Staffordshire Magistrates Court, to face seven different charges relating to child pornography

*Labour Councillor (Durham), Derrick Payne* – Arrested by Police following a sex attack

*Labour Councillor and former Mayor (Halton/Cheshire), Liam Temple* – Convicted in 2004 of `Inciting a child under 16 to commit an act of gross indecency` after the 58-year old Labour pervert had attempted to molest a 12-year old girl. During the case, the brave youngster told the court via a video link: "He said if I let him touch me he would give me money".

*Labour Councillor (Coxhoe/Durham), Les Sheppard* – Convicted in 2004 on ten counts of indecent assault on young girls. Jailed for 2 years, and placed on the sex offenders register for 10 years. Teeside Crown Court heard how 71 year old Cllr Sheppard lured his victims into his gold Porsche before driving them to remote spots, where he would submit them to sickening sex attacks. After his arrest, the Labour nonce-case told police "I love women, but you do things which you regret". Sheppard's `women` victims were between 9 and 13 years old.

According to media reports, the names of 2 former Labour Cabinet Ministers said to be `Household names` appear on the `Operation Ore` list of subscribers to hard-core child pornography. The same FBI investigation, which led to the arrest of rock star Pete Townshend. So who are they Mr. Blair?

*Yusef Azad* – One of Ken Livingston's overpaid left-wing cronies on the London Assembly gravy train – Resigned from his 60K-plus a year job `assisting` Assembly members, after being

*Labour Councillor (Halton/Leeds), Lee Benson* – Convicted and awaiting sentence in 2005, after pleading guilty on 12 counts of possession of indecent images of children, featuring youngsters between the ages of 5 and 11. Benson, who has a child of his own, repaid the fools who voted for him by storing his revolting kiddie porn collection on the computer provided for him by the council. Benson has been `suspended` – not expelled – by the Labour Party, which means his name remains on the Labour Party membership list, as well as on the sex offenders register. As to which is the more shameful – take your pick!

?*Labour Councillor (Newham/London), Greg Vincent*, who was the Election Agent to Labour MP Tony Banks at the 2001 General Election – Convicted and given a 2-year community rehabilitation order in 2003, for possession of hardcore

kiddie porn films and photos, featuring children as young as 8. Prescott, described in court as a “pillar of his local community” admitted carrying out sex attacks on four teenage boys as they slept in their beds

?*Labour Parliamentary candidate (Cheadle/Cheshire), Paul Diggert* – Subject of a 2002 police investigation into the alleged procurement of underage girls for sexual purposes via internet chatrooms. According to the `Sunday Mirror` (3/11/02), Diggert had admitted to having four underage girls that he was `grooming` for sex. In 2004 Diggert was convicted of making and distributing indecent pictures of children

?*Labour Councillor (Dagenham/London), Terry Power* – Forced to

resign in 1999 after being arrested and charged with sex attacks on teenage boys. Details of trial and conviction to follow.

*Labour Councillor (Westlands/Worcestershire), Keith Rogers – Convicted, fined, and placed on the sex offender's register in 2003, after downloading over 2,000 hardcore child porn photos on his computer*

*Labour councillor Ex-Paston councillor Gilbert Benn (48) A former city councillor was a five-year jail sentence for molesting an 11-year-old boy and threatening the youngster's mother in a bid to cover his tracks.*

*A FORMER Wirral Tory councillor led a secret life looking at indecent images of children. While his wife and two daughters slept upstairs, Ian McKellar spent hours poring over child porn downloaded from the internet onto his computer. Ex-Tory councillor was sentenced after admitting child porn charges*

***Former Children's Minister and prior to that, chair of the Campaign For Civil Liberties, Harriet Harmann while in CCL, collaborated with the Pedophile Information Exchange and another pedophile activist groups in a campaign to decriminalise/legalise child pornography.***
