

# The Palace Commissions New Portrait Of Spivey

Piereport News

**Spivs Comment.**

**I am not even going to print the following article in full. The gutter press at its worst. And to think that only last night I was thanking Tim (Piereport) for all the nice things that he had said about me.**

**STUNNED** art critics last night slammed the first official portrait of Spivey – claiming he looks 51 and has “Kate Middleton’s nose”.
