The Queen and the missing kids.

In Pursuit Of Happiness

7/6/12

This is Queen Elizabeth with Anthony Blunt who reportedly ran a paedophile ring which included a lot of top people (aangirfan: Sexpionage).

“It was long rumoured that the unusual resemblance between Blunt and Edward VIII was because they were half brothers.” (Sir Anthony Blunt)

This is William Combes. He said he witnessed “the abduction of ten fellow residential school children by the Queen of England and her husband in October, 1964 at the Catholic school in Kamloops, British Columbia, Canada.”

According to Anonymous:

In Canada, “government and church run ‘residential’ schools were used to systematically break down native communities over decades.

“Sexual abuse was normal, and murders also happened.

“Queen Elizabeth and Prince Phillip have been directly accused of being present at such a school when 10 kids went missing...

“An official inquiry was due to hear testimony in a few months...
from the last surviving witness to see the Queen with those kids.

“That last witness died this week in mysterious circumstances.”

At Adamite.com we read “Kevin Annett Reacts To Death“ March 2011.

The man who claimed to witness “the abduction of ten fellow residential school children by the Queen of England and her husband in October, 1964 at the Catholic school in Kamloops, B.C. has died suddenly...

“William Combes, age 59 and in good health, was scheduled to be a primary witness at the opening session of the International Tribunal into Crimes of Church and State (ITCCS) on September 12 in London...

“William was the sole survivor of a group of three aboriginal boys who claim to have witnessed the abduction of ten children during a royal visit to the Kamloops residential school in mid October, 1964, when both the Queen and Prince Philip were in Canada.

“‘They took away those ten kids and nobody ever saw them again’ described William...

According to William Coombes’ signed and witnessed declaration made on February 3, 2010:

“I am ... 58 years old. I live in Vancouver, Canada.

“I am a survivor of the Kamloops and Mission Indian residential schools, both run by the Roman Catholic church.
“I suffered terrible tortures there at the hands especially of Brother Murphy, who killed at least two children.

“I witnessed him throw a child off a three story balcony to her death.

“He put me on a rack and broke some of my bones, in the Kamloop school basement, after I tried running away.

“I also saw him and another priest burying a child in the school orchard one night.

“In October, 1964 when I was 12 years old, I was an inmate at the Kamloops school and we were visited by the Queen of England and Prince Phillip...

“The day the Queen got to the school, I was part of a group of kids that went on a picnic with her and her husband and some of the priests, down to a meadow near Dead Man’s Creek.

“I remember it was weird because we all had to bend down and kiss her foot, a white laced boot.

“After awhile, I saw the Queen leave the picnic with ten children from the school, and those kids never returned.

“We never heard anything more about them and never met them again even when we were older. They were all from around there but they all vanished.

“The group that disappeared was seven boys and three girls, in age from six to fourteen years old...”
Thousands of girls and boys were raped and tortured, and many were murdered, in Canada’s aboriginal boarding schools. (CANADA) In Canada, up until 1985, Christian churches ran around 100 boarding schools for aboriginal children.

Between 100,000 and 200,000 children were forced to attend these boarding schools. (Canada probes TB ‘genocide’ in church-run schools – health – 05 …)

Reportedly, around 50,000 aboriginal children died in these schools.

Documents show a death rate of 50%. (Protesters demand PM, churches reveal fates of residential school …)

“A 2001 report by the Truth Commission into Genocide in Canada documents the responsibility of the Roman Catholic Church, the United Church of Canada, the Anglican Church of Canada, and the federal government in the deaths of more than 50,000 Native children in the Canadian residential school system.

“The report says church officials killed children by beating, poisoning, electric shock, starvation, prolonged exposure to sub-zero cold while naked, and medical experimentation, including the removal of organs and radiation exposure.” – CANADA

On 1 January 2008, the Canadian government’s ‘Truth and
Reconciliation Commission’ head, Bob Watts, stated that criminal acts had gone on in the schools, accounting for the deaths of ‘unknown’ numbers of children. (Epoch Times Move to Investigate Residential School Deaths …)

Reportedly (Film: Horror in Canada):

Children suffered ‘beatings, electric shocks, forced sterilization, medical experimentation, starvation, rape as well as various other forms of sexual abuse, and murder….. Some spoke of young girls becoming pregnant as a result of rape, or nuns becoming pregnant after sexually abusing boys’

Reportedly (Genocide in Canada):

1. The United Church provided aboriginal children from its schools for drug-testing, radiation experiments and CIA mind control programs.

2. The United Church may have knowledge of a pedophile ring, associated with The Vancouver Club, which involves United Church clergy, lawyers and judges.

Documentary filmmaker Kevin Annett estimates there are at least six burial sites at former British Columbia residential schools run by the Catholic Church. (Natives want children’s remains returned)

According to Annett: “We know that there’s mass graves behind the school in Port Alberni, in Alert Bay, in Mission, right next to the grounds of the Mission Folk Fest.”

Annett said he has heard many stories of children who simply disappeared from the more than 100 residential schools for aboriginal children that operated in Canada from the 1870s to the early 1980s.

Former students have told Annett they helped with burials.

Many died from tuberculosis, violence and abuse.
According to Annett: “It’s about genocide. It’s about murder…. If you do a conservative estimate, then you are talking at least 50,000 children across Canada over a century.”

“The priests dug up the secret gravesite in a real hurry around 1972, when the school closed. No-one was allowed to watch them dig up those remains.

“I think it’s because that was a specially secret graveyard where the bodies of the pregnant girls were buried.

“Some of the girls who got pregnant from the priests were actually killed because they threatened to talk.

“They were sometimes shipped out and sometimes just disappeared. We weren’t allowed to talk about this.” (Testimony of Arnold Sylvester to Kevin Annett, Duncan, BC, August 13, 1998). ( CANADA )

BYRON PRIOR : CLASSIC CHILD ABUSE CASE

~~~

An organized system of exploitation of women and children appears to exist on Canada’s west coast, according to sources.

This system is decades-old and has been supplied for many years with women and children from aboriginal (Indian) reserves and children’s homes (residential schools).

This system is international.

Reportedly, Vancouver is one spoke in a wheel of pedophilia, sex slavery, human organ black markets, snuff films and violent child pornography that has outlets throughout the Pacific Rim world, particularly in China and Thailand.
